Roxboro Rotary Club
Annual Fund Disbursement List 2012

Each year, we sell paper products as our annual fund raiser. One half of the net funds we raise go to worthy projects. The amount we have been able to allocate to these projects the last few years is in the range of $8,000 to $10,000. The Board of Directors has also approved the use of the interest gained each year on our foundation investment.

The committee that determines where these funds will be allocated this year is comprised of Rotarians: Randy King, Larry Yarborough, Brinn Clayton, Dr. Thomas Long and Adam White.

We would like for you to submit your ideas for consideration to the committee. If you have additional justification or information, please attach it. We need this **returned by next Thursday 1/19/12 to President Tommy or Randy King.**

We will use this information during the paper drive to advise our customers where the funds will be going each year.
